GREAT MUSIC STUDIOS ANNOUNCES GRAND OPENING OF NEW MULTIMEDIA FACILITY

If you need a team that truly listens to you, understands your dream and can quickly translate that dream into real audio, Great Music is the studio to call. We have has been successfully providing perfect sound for Radio, Film, TV, Promos, Commercials, Live Shows, Toys and Games for over a decade. Boasting state-of-the-art technology and some of the world's most talented recording engineers, musicians, writers and vocalists, this Malibu-based facility is hot.

Terence Davis, President and Founder of Great Music, began as a touring musician and became a toy industry executive. He played a role in the development of musical toys that use the audio IC chip that give toys and games the ability to inexpensively play sound. Over 50 million toys have been sold using music he created. He has sold more songs than most major recording artists! Terence started Great Music in 1998 as a supplier of audio for the toy industry. He then expanded his enterprise to include songs, jingles & sound design for Radio, TV, theater & Film.

Terence has written songs and jingles for Coca-Cola, Disney, National Lampoon, TBS, Mega Blocks, GE, and earned a nomination for the prestigious Ovation Award for Sound Design for the studio's work on the stage production of "Sideman" in 2004. He received an honorable mention from ASCAP and is renown in the industry as a creative visionary and consummate professional.
